February 2018

Dear Students and Parents,

The purpose of this booklet is to provide information to graduating seniors about the local scholarships and awards available. The Table of Contents represents a diverse group of associations, organizations and scholarships. It is organized by category to reflect various groups of sponsors. We hope that this will make the process easier for applicants.

Eligibility guidelines and application procedures are provided for each scholarship. Unless specifically otherwise indicated, applications are due by April 1, 2018. Application forms are available on NAVIANCE or in the Guidance Office. The DHS Scholarship Application (pages 63 & 64) is used for many of the scholarships; this makes the process more efficient for you and the guidance staff. However, there are several scholarships listed that require the use of the organization’s own application. The criteria for awarding scholarships and the selection process are determined by the organization or sponsor. The Guidance Department functions only as a conduit for this information. Please note some scholarship applications have to be mailed directly to the committees by the student. Instructions for Criteria and Application Procedure and deadlines must be closely followed or consideration may not be given to applications.

The DHS Scholarship Application Cover Form on (page 61 & 62) must be completed and included with the applications that are submitted to the Guidance Office. The Guidance Office cannot be responsible for processing and tracking applications that are not listed on this cover form. Additional copies of this form are available in the Guidance Office.

Please read the guidelines carefully and be respectful of application procedures and deadlines.

We wish you good luck in your endeavors!

Colleen, the oldest of three children, received tremendous support and encouragement from her large and loving extended family as she pursued a career in teaching.

Colleen began teaching at Danvers High School in September of 2012 and through her passion for enlightening young minds, made an immediate impact in the lives of her students. She quickly earned a reputation as a passionate and popular teacher. Following her passing, one student summarized Colleen’s dedicated approach to teaching, sharing, “In the two short months I’ve had Ms. Ritzer as a teacher, there are two things I have learned: Math is as good as you make it and being nice to people can leave a greater impact on their life than you think.”

ANNE TURCOTTE MEMORIAL SCHOLARSHIP

The Anne Turcotte Memorial Scholarship will award two scholarships in the amount of $1,000 each to the pair of graduating DHS seniors who best reflect the selfless, hard-working and generous nature of Anne Turcotte.

Application Procedure:
Applicants must include the DHS Scholarship Application, resume, two (2) letters of recommendation, transcript, and 500-word essay (described further below).

Essay Description
The Anne Turcotte Memorial Scholarship Committee will award scholarships to a pair of Danvers High School graduating seniors who best exemplify the qualities of Anne Turcotte, who passed away March 2013 at age 50.

The Anne Turcotte Memorial Scholarship honors Anne’s life and her indelible legacy. She was a daughter, a wife, a mother, a grandmother, a sister, a friend, a colleague, and a benefactor. She was vivacious, fiery and lived life to the fullest. She was your loudest fan and most ardent supporter, but “watch out” to anyone who threatened the people she loved. She opened her home to numerous transients with a warm meal, comfortable quarters and a healthy serving of advice – like it or not. Anne was always on the go, whether it was a night out with the girls, a boat excursion to Kettle Cove, or any event where she could marvel at her beloved grandchildren. She worked tirelessly to advance tourism in Salem, often traveling abroad herself whilst collecting friends and hearts along the way. But it was at home where Anne seemed happiest. There she hosted countless parties and impromptu get-togethers – rejuvenated, it seemed, by the laughter and love of the family and friends who surrounded her. And in her year-long battle with cancer, Anne epitomized dignity, grace and compassion wanting only the best for all who she was to leave behind. All that she asked was that her grandchildren remember her, which this scholarship helps to ensure.
To be considered an Anne Turcotte Memorial Scholarship recipient, write a 500-word essay about someone who impacted your life the way Anne impacted her family, friends and even complete strangers. Explain how you know this person, the qualities they share with Anne and in what special ways this person changed your life. In particular, show how this person's undying sacrifices, generosity and love forever changed you.

THE BROOKS FAMILY SCHOLARSHIP

The Brooks Family Scholarship

Since the death of Henry W. Brooks in 1994 the Brooks Family Scholarship (honoring Mr. Brooks, his wife Alice E. [D’Amour] and his seven children) has been presented to many Danvers High School graduates each year since 1995.

Introducing Mr. Henry W. Brooks, Sr. –

Mr. Brooks was born in Salem, Massachusetts on September 16, 1905. Growing up primarily in Beverly, Massachusetts he took an interest in and liking of his father’s market on Rantoul Street in Beverly. He decided he would like to own his own market some day.

In 1930 and having two children, which would grow to a family of seven children, Mr. Brooks opened Brooks Market at 63 Elm Street in Danvers. He rented a small building attached to the front of the Fossa family home and as Danvers grew Brooks Market grew.

With the uncertainty of the safety of the United States’ homeland during the early 1940’s, Mr. Brooks became a First Sergeant in the Danvers State Guard.

In the mid-1940’s, Mr. Brooks built a new and bigger store, a self-service supermarket at 47 Elm Street in Danvers. At this time, he had brown shopping bags noting “Growing with the town since 1930.” Two of Mr. Brooks’ largest customers were Holten High School and Richmond Junior High School. Mr. Ivan Smith, Superintendent of Schools in Danvers; Mr. Cornelius Dunn, Principal of Holten High School and Mr. Lewis Crosby, Coach and Athletic Director were frequent customers in Brooks Self-Service Supermarket.

With the 1950’s approaching, Mr. Brooks could vision even building a larger self-service supermarket. His previous store at 47 Elm Street was sold and moved; but by the mid-1950’s, Mr. Brooks had achieved his dream of building a larger self-service supermarket.

In his later years, Mr. Brooks taught meat cutting at the Essex Agricultural School in Danvers. In 1985, Mr. Brooks retired to Ft. Myers, Florida where he taught a course in boating.

The Brooks Legacy –

Mr. Brooks’ legacy of “helping others as they had helped him” is graciously accepted and appreciated by his many beneficiaries which includes Danvers High School graduates.

The application packet should be returned to the Guidance Office by APRIL 1st
The Thorpe Scholarship

Willis E. and Helen L. (Woodfin) Thorpe Scholarship Fund

The Thorpe Scholarship has been awarded to graduates of Danvers High School since 1967. More than 300 students have benefited from the generosity of this fund. Within the school community, it is regarded as a prestigious, coveted award. However, few know the history of the scholarship or the background of Mr. Thorpe. The following information was obtained from the Danvers Archival Center located at the Peabody Institute library.

Introducing Mr. Thorpe …

Willis E. Thorpe grew up in Sabattus, Maine. After graduating from Bates College in 1911, he moved to Danvers to become the Assistant Principal of Danvers High School. At that time, the position was titled Submaster. Mr. Thorpe held that position for five (5) years. Perhaps, his loyalty and commitment to education, the town of Danvers and its schools grew from his experiences working with students, educators and parents.

Mr. Thorpe left education to become associated with several tanneries in the area. He served as President of the Paris Tanning Company and Vice President of the Paris Leather Company. Both of these companies were located in Paris, Maine. Mr. Thorpe worked in the leather industry for 30 years.

In 1944, Mr. Thorpe became the Director of the Danvers National Bank. Mr. Thorpe’s career advanced quickly. In 1948, he became Vice President; in 1950, he was named President of the Bank. During his life in Danvers, he was involved in a variety of civic and community organizations. From 1951-1953, he was a member of the Board of Selectman. Mr. Thorpe was a member of the Chamber of Commerce, the Danvers Industrial Commission and served as President of the Danvers Rotary Club. His activities included Chairmanship of the Community Fund in 1954 and active involvement in the Heart Association.

Mr. Thorpe died in September 1963.

The Thorpe Will…

Mr. Thorpe expressed his respect and commitment to the community and residents of Danvers through his last Will and Testament. Six hundred thousand ($600,000) dollars was left to the Town of Danvers to establish a scholarship fund for Danvers High School graduates. The interest from this fund supports the annual awards. According to the Will, scholarships were to be awarded to “deserving” seniors who wished to pursue higher education. Students remain eligible to receive the award for four years of study if they maintain respectable grades in college. The Will designates that the Selection Committee be composed of the Superintendent to Schools, Chairman of the School Committee and Principal of Danvers High School.

Fifty thousand ($50,000) dollars was bequeathed to the town to support health service. The interest from this fund has been used to maintain Hunt Hospital. His philanthropic endeavors also included the Danvers YMCA and the Danvers Unitarian-Universalist Church.

The Thorpe Scholarship…

Throughout his life, Mr. Thorpe strived to accomplish. The essence of the criteria used to select recipients of the scholarship named in his memory reflects the qualities he tried to portray in his life experiences: achievement, commitment, concern and respect for others. The Committee will also consider financial needs. Application for the Thorpe Scholarship requires completion of the Common Application Form, transcript, letters of recommendation and activity profile.

The application packet should be returned to the Guidance Office by APRIL 1st.
