### Hall of Fame

The Danvers High School Blue and White Club Hall of Fame was established in 1992 to recognize, honor and preserve the memories of those Athletes who have made a significant impact in their respective sports while at DHS.

The metrics used to measure this impact must be documented and submitted by way of a formal nomination process. This Nomination Application is available by request to the Review Board (below). Athletes nominated for consideration, in addition to having been outstanding athletes at DHS, must have attended DHS and have been out of DHS a minimum of ten years after their classes' graduation.

This organization also recognizes other significant contributors (i.e. coaches, administrators, teachers, others) having made a special contribution to DHS athletics/athletes, and have been retired from their respective team, sport, school for a minimum of 2 years.

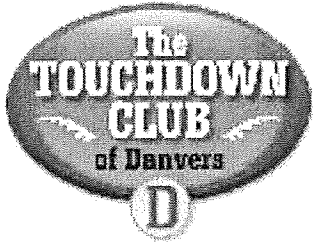

#### Review Board:
