

2022 DHS SENIOR FINAL EXAMINATION SCHEDULE

-Students will attend their course up until taking the final exam. Once students take the final exam, they do not need to attend that course for the remainder of the week. We did our best to accommodate for this in the senior exam schedule with the block rotation.

-Students in AP Courses will attend their classes through the AP Exam.

-If students have a 90 or above they do not need to take a final exam.

Tuesday, April 26, 2022, G Day
