Highlands Highlights

The Kindergarten students did their annual 100th Day Parade!

Mrs. Boudreault and Josie Vogel teamed up with a Great Oak science teacher and student to present at the school committee meeting on Monday evening. They talked about technology and the new Amplify science curriculum.
 Way to go!

Dear Highlands Families,

We have had a very busy end of last week with the 100th day of school, and this last week before February vacation is a busy one too! I hope that you are able to rest and relax next week and spend some time with family and friends. We will return to school on Monday, February 25th. Our next early release is Wednesday, March 6th.

The PAC sponsored after school enrichment clubs are live and online! You can sign up by clicking [here](#). You must turn in the medical form in order for your student to participate. This can be printed off of the website where you sign up for the club and sent back to school, or a hard copy is coming home in your child's backpack. You may sign up for one club at this time and on Friday, the PAC will open up any unfilled clubs to students that would like to sign up for more than one day. Also, if there is a waitlist for the club that you would like, please sign up for it anyway - if an opening becomes available we will go through the waitlist.

Please see a message from SEPAC below:

We will be having a meeting on February 28th, 2019 at the Holten Richmond Middle School in the Multi-Purpose Room. Ms. Sara DeMato and Ms. Mindy Sheehy are going to give a presentation regarding Screen Time and the effects on children. See the flyer below for more information.

In March we will be hosting a What to Expect at an IEP Meeting for parents K-5. This was recently done for preschool parents and was so helpful for parents to better understand how to read the IEP document and have some basic questions answered. More information to come.

Lastly, SEPAC is creating a summer program document for families. If you have any great summer programs you know of and want to share with local families, please email Alicia.Coady@yahoo.com to add them to our list.
 Thanks!

We hope to see you at these events. Please email Alicia.Coady@yahoo.com with any questions or concerns.

Thank you for all that you do!
 -Mrs. Jones
