

## Holten-Richmond Middle School Library Nook/Kindle Loaner Agreement

### Introduction:

The HRMS library is now lending NOOK and KINDLE portable reading devices to students who agree to take responsibility for their care. These electronic readers are capable of holding hundreds of book titles. Each device with a case is valued at \$70.00. **A parental signature is required before a Nook or Kindle can be borrowed.**

### Parental Responsibilities and Permission

I am consenting to the assignment of a Nook or Kindle to my child. I understand that it is to be used for reading only and that my child will comply with the HRMS Acceptable Use Policy. I will help insure the safe and timely return of the device, and will reimburse the library in the amount of \$70.00 if my child loses or damages it. The loan period is three weeks; devices may be renewed once if there is no other demand for use.

I understand that I am financially responsible for willful or accidental damage to the Nook/Kindle as well as any charges resulting from unauthorized downloading of content to the Nook/Kindle. I understand that my child may lose future borrowing privileges if the Nook/Kindle is damaged or not returned in a timely manner.
