

Hello Grade 8 Families:

We wanted to provide an update for plans to honor our 8th grade students. First, during the week of June 15th we will be holding a drive through rolling rally ceremony for each team. We plan to make this a spirited and fun event honoring our 8th graders. Students and their families are invited to come to HRMS and proceed through the loop to see their teachers, pick up any items left at school, return their Chromebook and most importantly receive their 8th Grade Certificate. Each team will have its own day. You will have an assigned time by your homeroom. Please see the schedule below for your assigned time to visit HRMS.

On Thursday June 18th we will release a DCAT produced moving on ceremony which includes faculty and student remarks, team awards and the names of all 8th graders being read accompanied by their yearbook photo. Each team will hold additional social events in the coming weeks as well. Furthermore, we will continue to monitor regulations and conditions set forth by the state and local government for gatherings. If an opportunity presents itself to gather the 8th grade together later in the summer we will communicate information about such events.

Yearbooks are in production and when we have an arrival date from our distributor we will make sure everyone gets their order. Additional yearbooks will be available for sale as well.

Lastly, be on the lookout for a special delivery to your yard, made by HRMS Staff, on Wednesday 5/27/20 of next week.

Sincerely,

Adam Federico
