Good Afternoon Holten Richmond Families,

I am pleased to be reaching out to all of you as the new principal of HRMS. I hope everyone is having a great summer so far.

Over the course of the summer, I am looking forward to getting out into the community so that people have the opportunity to meet me. This will also give me the chance to familiarize myself with students and caregivers. My hope is to have some dates scheduled for August so please keep an eye out for those details.

Enjoy your summer, and I am looking forward to meeting you all.

Sincerely,

Brendan Norton
