

News and Notes 9/13/21

Good afternoon HRMS Caregivers,

We had a great first two days of school. Students got a chance to meet all of their teachers and it was wonderful to have them in the building. I am looking forward to having our first full week of classes. Please make a note that school picture day will be this Wednesday. I hope everyone has a great week.

Phones and Smartwatches

All cell phones and smartwatches need to be off and in student lockers during the school day. If students need to contact home they may call. From the office.

Cafeteria

Based on the first two days of school we are making some adjustments to our seating in the cafeteria. Students will still be allowed to go outside when the weather allows. Seating at the round tables will be reduced from 6 students per table to 5 students per table. The total number of students sitting at the long tables will be reduced from 12 to 8 students per table. We have also added more desks for students to sit in pairs.
