

HRMS Caregiver Update

Week of 9/20/2021-9/24/2021

Principal: *Brendan Norton*

Caregiver Updates

Congratulations we are through one full week of school and into the second. It was a great first week, thank you all for your support for our staff. I am looking forward to meeting many of you at our Open Houses this week. I would also like to remind everyone that we will have our first PAC meeting next week at 7:00 on Tuesday, September 28th. Please contact me if you have any questions or concerns. Have a great week.

HRMS Caregiver Update

Week of 9/20/2021-9/24/2021

Principal: *Brendan Norton*

Test and Stay

If a student is a close contact with another individual who tests positive for COVID-19, while they are in school, they are eligible to participate in our test and stay program. We ask that any student who is able to participate in Test and Stay arrive at school between 7:10 and 7:25. Those students should enter the building as soon as they arrive and go directly to the nurse's office for testing. Our goal is that all students participating in this process can complete their testing in a discrete manner with little to no impact on their time in class.

HRMS Engineering Club

HRMS Engineering Club is starting up for the year. There will be a meeting every Monday from 1:55-2:45, starting October 4. The club has a 24 person limit to ensure safety when using tools and a better opportunity for student participation. A student can be waitlisted in the case that the club fills up. Mr. Conant will email confirmation after sign ups are complete. If your student is interested in Engineering Club, please review the following rules with them and then sign them up on the Google Form below:
