Caregiver News and Information

Short Week

I hope everyone had a great Memorial Day Weekend. It was wonderful to see so many HRMS students in the parade and Antonio Capece did a great job of reading the Gettysburg Address. We have a short week this week. I want to make sure that everyone is aware that tomorrow is an early release day. Finally, based on popular demand we will also have a bonus PAC slush sale this Friday.

Thank You,
Brendan Norton
Principal

From The Library : Overdue Books & Summer Reading

As the year draws to a close, we're asking for your help getting HRMS books back to the library. If you could please take a look around your homes for any books your students may have forgotten about, we would really appreciate it. **HRMS Library books are stamped on the first and last page and have an HRMS barcode on the back of the book.** As always, we remind students to look in all their classrooms and speak with their teachers because a lot of staff have a lost and found area in their room specifically for this purpose. They'll be getting overdue notices in their ELA classes this week.

The recommended titles list and assignment details for the HRMS Summer Reading 2022 will be posted in the Library Google Classroom (join code: lz5yw4i) and on the district website (<https://danverspublicschools.org/holten-richmond/library/>) on Monday, June 13th. Summer Checkouts from the HRMS library will be during RISE block and after school. There will also be copies for students to check out at the public library.
