Caregiver News and Information

This week

This was a great week at Holten-Richmond. The 8th graders began the process of moving on to the high school this week by working with our guidance counselor and teachers on their course selection sheets. The students performing in the play had their first opportunity in several years to perform in front of their peers during the school day. The performances were great and the students in the audience enjoyed the opportunity to see some of the play in advance.

Next week's Winter Festival will be on Tuesday, February 7th from 2:30 to 3:30. It will be great to see so many students coming together to have fun around winter themed events.

Thank You,
Brendan Norton
Principal

Music Trip To Hawaii December 2023

The DHS Music Department has officially rolled out the registration for its Hawaii trip in December of 2023. Students who will be enrolling in band and/or chorus next year at the high school and would like to register for the trip can do so online at www.danversperformingarts.org/travel. Students who will be in 7th and 8th grade and in the DHS Marching Band next year are also eligible to register for the trip. Questions can be directed to Mr. Daniels or Mr. Grover at the high school.

Food Services

The Danvers Public School Food Service has created a new Facebook page. For information about Danvers Food Services please check out their page [here](#).

Rise Block SEL Sessions

Throughout the rest of the year, team teachers will be identifying students who may benefit from additional support by attending our RISE Social Emotional Learning (SEL) Sessions. Each cohort of students will attend a two-lesson cycle focused on a specific SEL topic that is linked to the CASEL competencies of self-awareness, self-management, social-awareness, responsible decision-making, and relationship skills. These sessions provide opportunities for students to receive direct instruction, modeling of SEL skills, and SEL skill practice.

Attendance Letters

During this trimester, we will be sending out attendance letters to inform families when their child has accrued 10 or more absences. In addition, we will be developing plans with families to help improve the outcomes for students who are struggling with attendance. Our goal is to work productively with families in order to help students attend school consistently and perform their best.

Yearbook Information
