

Resources

To choose words for the games:

1. Your child's classroom teacher may send home sight words that the children are practicing in their reading program. The weekly spelling words parallel the phonics pattern that the class is working on. You can also choose words from the Dolch Sight Word List (which has been included in each game folder).
2. Check the Danvers Public School web site (www.danvers.mec.edu) to access the Pacing Guide for the *Treasures* reading program.

First click on **Parents**; then click on **Elementary Curriculum Resources**.

Under **Treasures**, click on the grade.

This guide lists the spelling/phonics skills that are being presented in the classroom each week.

To get a word list for a phonics skill:

Go online to:

http://www.worksheetgenius.com/html/word_lists.php

Scroll down to the heading:

Spelling/phonics patterns in alphabetical order

Click on one of the many phonics patterns listed

Click on **browse the list**

OR

<http://www.firstschoolyears.com/>

Click on: **Literacy**

Click on: **Word Level**

Under Word Level Worksheets and Resources, click on the phonics skill you want to practice.

Click on the sound under the word list.
