Science Fair: Thank you to all the parents and staff who contributed to an incredible evening of hands on science! With almost 100 student participants in grades Kindergarten through Fifth Grade, the event was a tremendous success. Students were eager to share their projects and discuss the big ideas.

Placement Information from Ms. Mara: Spring is the time we begin thinking about the 2019-2020 school year. With this in mind, preparations for next year's student placements will be occurring soon in Kindergarten through grade five. We take this process very seriously and are mindful of many factors that go into creating well-balanced classes. The placement committee consists of classroom teachers and the following specialists: Basic Skills, Reading, Speech/Language, Specialists, Social Worker and the Principal. If the learning needs of your child necessitate explanation or clarification, a letter from the parent or guardian discussing such needs may be addressed to me. Please do not include a specific teacher's name in the request. **Any letters regarding placement may be addressed to my attention and must be submitted by Friday, May 3, 2019.**

Fifth Grade Parents: If you would like to be able to have a Well Wish for your student, please fill out the form and return to the office **by Friday April 12th**, with the payment enclosed.

Fifth grade parents can also email their Well Wishes to: Smithschool2019@gmail.com and send in the payment. Thank you, The Smith School Yearbook Committee
