Dear Families,

I hope you had a great weekend!

Many thanks to all of the families that visited the Book Fair last week! Your support is much appreciated! A special note of appreciation to Niki Blum and her committee for organizing and running the fair. Proceeds from the purchases are used to update the school's library. Thank you for your generosity.

Last Thursday evening, members of the Fifth Grade Celebration Committee met to discuss plans for the year, form committees, and upcoming fundraisers for the celebration. Lori Donovan (lori_donovan@comcast.net) and Erica Horenstein (ehorenstein@gmail.com) are co-chairing the committee this year. If you were not able to attend the meeting but want to help out in anyway please email them or contact the main office.
