

Let's make music together!

Come join our musical teams at Thorpe and learn an instrument and/or try singing so many fun songs all while making music with your friends! We spend all year together learning all about music and trying our best as we work hard to prepare for our concerts. Chorus and Band are our two musical teams this year. You can do one or both! Below are links to download the chorus and band information packets, and a link where you can sign up online! Please take a moment to visit those links and read them together. We hope you will join us in going green by using our online resources by completing sign ups online. If you do not have access to a computer at home, please let your musician's teacher know right away and a packet will be sent home to you. If you have any questions please email your child's music teacher at michaelamaral@danvers.org
