

Office of the School Nurse
Thorpe School

September, 2019

Dear Parents and Guardians,

All students are required by state mandate to be screened annually for vision and hearing. I will begin the screenings with Kindergarten on Monday, September 30 and continue through the grades with an end date of October 18. If your child wears glasses, please send them to school with their glasses so they can be accurately tested.

Any student who fails the testing will be retested in 2-3 weeks after which a letter of referral will go home should they fail a second time. Please take that referral letter to your doctor to have your child evaluated and then please send back a copy of any information that you receive from the doctor, for our records and for inclusion in our state mandated report.

Please feel free to contact me by e-mail at lynneterrile@danvers.org or by phone: 978-774-6946.

Thank you for your cooperation.

Sincerely,

Lynne Terrile, CPNP
Thorpe School Nurse
