

About the Device

The eduGear® Chromebook CMT combines a rugged design with the flexibility of being used as a standard Chromebook or a Chrome based tablet, thanks to its 360° hinges and touch screen capabilities.

<p>eduGear CMT Chromebook</p>  <p>The image shows two configurations of the eduGear CMT Chromebook. The top view shows the device in its laptop mode, with the screen open and displaying a map of California. The bottom view shows the device in its tablet mode, with the screen displaying a scenic landscape of a beach and hills at sunset.</p>	<p>Specifications</p> <p>Operating System: Chrome OS™</p> <p>Processor: Intel® Celeron® N3050 processor</p> <p>Memory: 4.0GB PC3-10600 DDR3L 1333 MHz</p> <p>Storage: 23GB eMMC</p> <p>Screen: 11.6" HD16:9 IPS-Multi Touch</p> <p>Resolution: 1366 x 768</p> <p>Networking: 802.11ac 2 x 2 with BT 4.0</p> <p>Webcam: 720p HD webcam</p> <p>I/O: 1x Combo audio jack, 3x USB 3.0 port, 1 x HDMI, 1 x Micro SD card</p> <p>Dimensions: 11.81" x 8.5" x 0.87"</p> <p>Battery: Up to 10 hours of active use</p> <p>Keyboard: Full sized attached keyboard with touch pad</p> <p>Hinge allows for 360° keyboard rotation</p>
