Town of Danvers Citizen Engagement Survey Results Presentation

July 27, 2017-Danvers Senior Center-6:30 p.m.

During the spring of 2017, the Town of Danvers engaged Great Blue Research to conduct a comprehensive telephone and on-line survey of its residents. That survey sought input on a variety of topics and issues, including education, economic development, recreation, budgets, and overall satisfaction with municipal services. We are grateful to the 700+ residents who participated in the survey, and we are excited to share the results and to continue the conversation about the future of Danvers.

The Town, along with representatives from Great Blue Research, will present the Town's Citizen Survey results at a public forum on July 27, 2017 at 6:30 p.m. at the Danvers Senior Center, 25 Stone Street, Danvers. We invite you all to join us and share your input. The first fifty attendees will receive a Town of Danvers water bottle!
