CORE VALUES

Caring:

The District believes that a child-centered environment that demonstrates value and respect for individual differences best serves the unique needs of each child.

Quality:

The District believes that adherence to the highest standards for individual performance and achievement by all members of the school community is fundamental to life-long learning and continuous improvement.

Commitment:

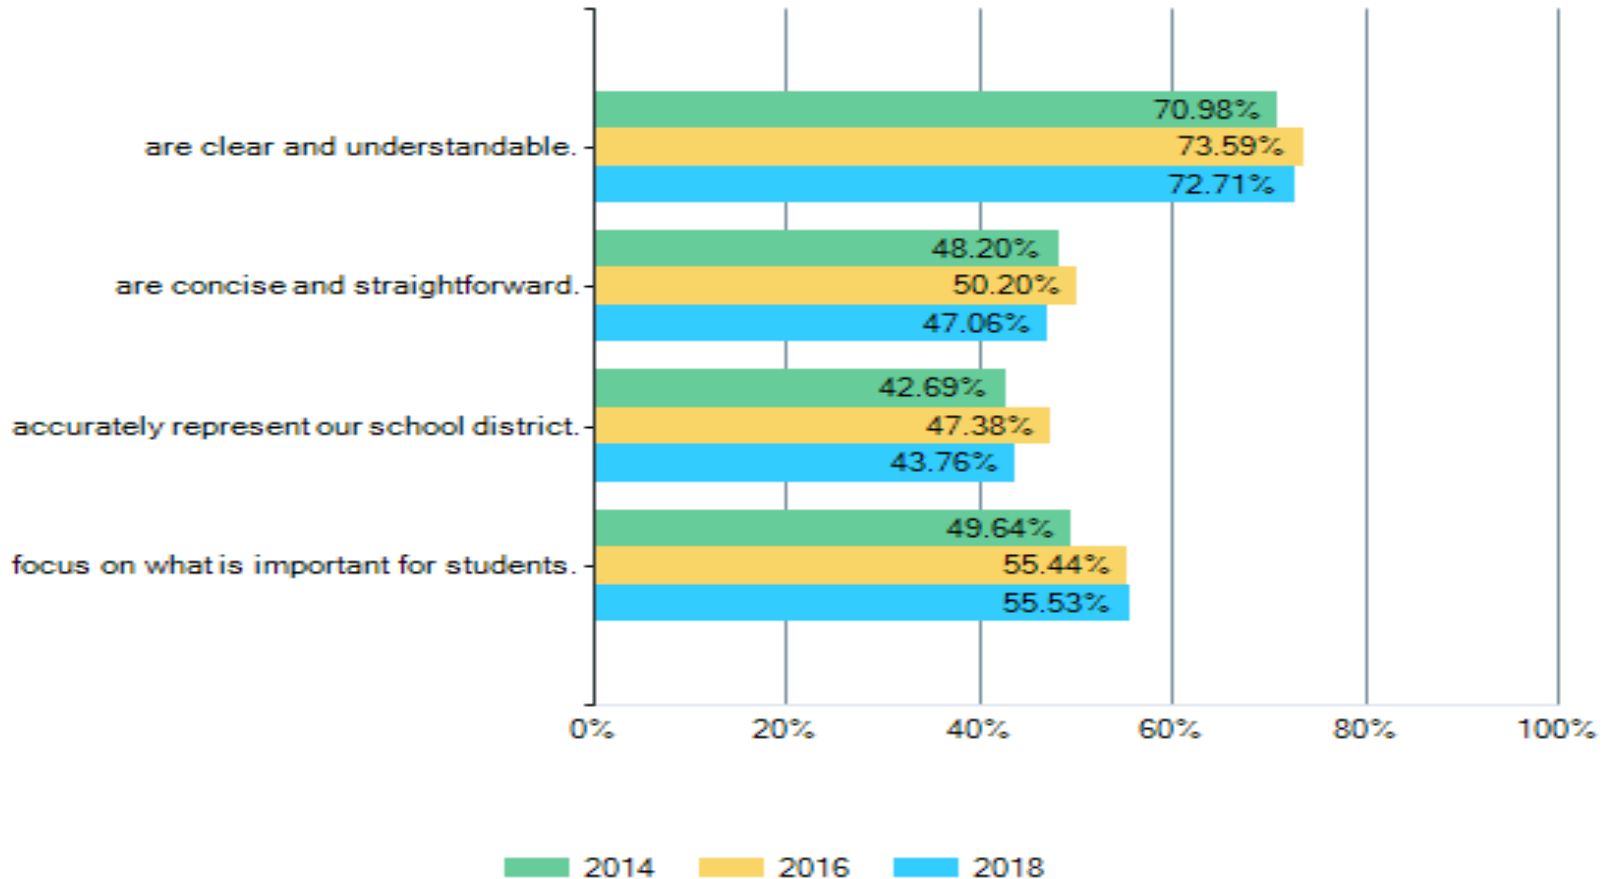

Danvers Public Schools is committed to providing successful learning experiences and promoting high achievement for all students. We value teaching as a profession and are committed to developing teachers as leaders and supporting them in their shared responsibility for the learning success of all students.

Collaboration:

Danvers Public Schools is the center of a dynamic learning network, connecting individual learners with the best educational, technical and recreational resources.
