

Danvers Summer Reading Program 2020
June 29th - August 14th

We are taking our **Summer Reading Program** virtual this summer!
Join **Beanstack**, our online tracking system, to log your reading minutes.

Set a goal to **read 20 minutes a day**, 4 days a week.

You'll earn digital badges after each hour that you read!

Earn a sundae from Cherry Farm Creamery after you log 9 hours of reading!

Earn the Nature Badge and be entered into a raffle for a Make Your Own Binoculars Kit!

It's easy to get started with  **Beanstack**

Information on how to register for the Summer Reading Program will be on our website danverslibrary.org soon! The Library will be offering a pickup service starting in July. You'll be able to put books found in our catalog on hold and stop by at a designated time to pick them up. In the meantime download ebooks from Hoopla, Overdrive and Tumblebooks. Enjoy your summer and start reading!

You can also download the **Beanstack** app available for **iOS and Android** mobile devices and create an account.
