### **Online Bus Registration - Grades K-12**

Bus registration for the 2020/2021 school year is now **open online**. Students who are eligible for the bus are students in grade K-12 that live **2 miles or over**. All students grade K-12 who are eligible for transportation **must register** for the bus. No payment will be required at the time of registration. Payment will be collected **after** you are notified by email that you have a slot on the bus. Space availability is on a first come, first served basis. In order to register, you will need your child's student ID number (LASID #), DHS and HRMS students can find that on the PowerSchool portal or on their report card. Elementary students can find the student ID number (LASID #) on the child(s) report card. New incoming kindergarten students can find this number in their welcome letter received in July.

Students in grades K-12 living **under** the 2 mile radius may also register for the bus, but are selected through a lottery system based on space availability wait list. Payment will be collected **after** you are notified by email that you have a slot on the bus.
